2010 Endangered Species annual collection

3. On the same day, the United Nations Postal Administration will release the 2010 Endangered Species annual collection folder of single mint stamps.

4. The 2010 annual collection will be contained in a specially designed album. The album devotes separate pages to each of the 12 endangered species. Descriptive information is provided in English, French and German, and each stamp is beautifully highlighted by a colourful array of photographs relative to the species. It should be noted that the Endangered Species Series **will not** be included in the annual collection albums to be issued later in 2010.

5. The stamps are not affixed inside the album, although spaces and mounts have been provided for this purpose.

Triple-cancelled Endangered Species annual collection folder

6. Since the 2010 Endangered Species annual collection folder will contain stamps in all three denominations, special arrangements have been made by UNPA to make available to its collectors the Endangered Species collections, in which the stamps will be affixed and cancelled on 15 April, the first day of issue in New York, Geneva and Vienna, as appropriate.

7. The policy of offering triple cancellations for the Endangered Species annual collection will continue throughout the duration of this series.

Maximum cards

8. The thirtieth set of UNPA maximum cards will also be issued on 15 April 2010. Three different cards will be produced to accommodate the three different se-tenant blocks of four stamps being issued. To conform to the maximum cards issued for the Endangered Species in prior years, each maximum card will reproduce photographs of the species appearing on each of the stamps in the se-tenant block. The appropriate se-tenant blocks of stamps will be affixed and cancelled first day of issue for each respective office. The maximum card cancelled United Nations New York will sell for $2.14. The card cancelled United Nations Geneva is priced at $4.08, while the card cancelled United Nations Vienna is priced at $3.90. Owing to a new uniform pricing for all three UNPA offices, all three maximum cards are subject to exchange rate fluctuations.

9. UNPA will sell the plain cards (without stamps affixed) for $0.25.

Special limited edition silk cover

10. The release of the 2010 Endangered Species Series stamps will coincide with the Postage Stamp Mega Event being held at the New Yorker Hotel from 15 to 18 April. To mark this event UNPA has produced a special limited edition silk cover. One stamp from each office will be selected randomly and will be affixed to these covers and cancelled appropriately. These covers will sell for $3.95 while supplies last.

11. On 15 April 2010, the United Nations Postal Administration will issue two new Geneva definitive stamps and two new Vienna definitive stamps on the theme "International Year of Biodiversity" in the denominations of SwF 1.60, SwF 1.90, €0.05 and €0.20. Information circular*

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: **2010 competitive examination for French interpreters**

1. The purpose of the present information circular is to invite applications from staff members of the Secretariat at the P-3 level and below who wish to take the 2010 competitive examination for French interpreters, in accordance with the provisions of administrative instructions ST/AI/1998/7 and ST/AI/2000/1, as amended by administrative instruction ST/AI/2003/1.

2. A competitive examination for French interpreters will tentatively be held on **29 June 2010** in New York, Geneva and other locations, according to the number and location of qualified applicants invited to take the examination and the availability of necessary technical equipment. The purpose of the examination is to establish a roster from which present and future vacancies for French interpreters will be filled. When vacancies occur, successful applicants will be recruited from the roster, subject to the requirements of the service in terms of subject-matter expertise and language combinations.

3. The examination is open to staff members of the United Nations at the P-3 level and below who meet the eligibility requirements, and to qualified external applicants. Staff members from subsidiary organs of the United Nations and staff members whose service is limited to a particular organ, fund or programme of the United Nations or special mission are considered external applicants for the purpose of this examination. Successful candidates will be offered a new appointment with the United Nations subject to normal United Nations recruitment procedures and standards. Staff members who are successful and are selected for inclusion in the roster will be assigned to fill vacancies for French interpreter posts as they occur in New York, Geneva, Vienna or Nairobi. Assignments are subject to rotation (mobility) and successful candidates may thereafter be called upon to serve at other duty stations, according to the needs of the Organization. Successful candidates are expected to serve **a minimum of five years** in language posts. The assignment of staff members of the United Nations who are successful in the examination and are selected to fill vacancies will be subject to the conditions set out in paragraphs 11 to 13 below.

4. Staff members of the Secretariat applying for the examination must:

(a) Have French as their main language;[1]

(b) Have a perfect command of French and an excellent knowledge of English and Russian. The Board of Examiners, appointed by the Assistant Secretary-General for Human Resources Management, requires that applicants' claims to knowledge of official languages be supported by relevant documentation in their official status file. Staff members who have been enrolled in a United Nations language course in any of the languages claimed must have passed the United Nations language proficiency examination in that language. Applicants who have not attended the United Nations language courses in the languages claimed must substantiate their claims to knowledge of those languages. For that purpose, staff members should give a clear explanation on the P.11 or personal history profile (PHP) form of how they acquired their claimed knowledge of the languages;

(c) Hold a university degree from a recognized school of interpretation in which at least one full academic year is devoted to interpretation. Alternatively, applicants must hold a degree or an equivalent qualification from a university or institution of equivalent status at which French is the language of instruction, and have 200 days of experience as conference interpreters or 200 days of work experience in the field of translation, editing, verbatim reporting or related fields. The Board of Examiners may, at its discretion, admit an applicant graduating from a university whose principal language of instruction is other than French provided he/she has adequate secondary educational qualifications from an establishment at which the principal language is French.

5. The requirement for a university degree or its equivalent from a university or institution of equivalent status, mentioned in paragraph 4 (c), may be waived for staff members who, in the judgement of the Board of Examiners, have adequate post-secondary educational qualifications from a university or institution of equivalent status and adequate secondary educational qualifications from an establishment at which the principal language of instruction is French, in addition to five years of continuous service with the United Nations Secretariat by 31 December 1989.

6. In order to meet the Organization's need to recruit staff for language posts who will serve for a reasonable period of time before reaching retirement age, staff members who do not serve on a fixed-term appointment and who will have reached age 56 by the deadline for submission of applications, **14 May 2010**, will not be eligible to sit for the examination. There is no age limit for full-time staff members serving on fixed-term appointments.

7. All applications will be reviewed by the Board of Examiners. In instances where a large number of applications are received, the Board reserves the right to admit to the examination only the most qualified applicants based on a review of the qualifications that are over and above the minimum criteria set out in paragraph 4. Applicants may be required to submit evidence of degrees, knowledge of languages and/or relevant experience prior to convocation. All applicants will be notified of

[1] "Main language" should be understood to be the language into which the candidate is best able to interpret. Candidates' claims to French as their main language must be supported by relevant documentation in their official status files.

the Board's decision in respect of their application. **The Board's decisions are final.**

8. The examination, to be tentatively held on **29 June 2010**, will consist of two parts:

(a) Simultaneous interpretation into French from recordings of three speeches delivered in English (approximately 5 to 10 minutes per recording);

(b) Simultaneous interpretation into French from recordings of three speeches delivered in Russian (approximately 5 to 10 minutes per recording).

9. On the basis of the results of this examination, the Board of Examiners will invite selected candidates to a competency-based interview. The Board will interview each candidate to assess whether he or she possesses the competencies required for the position. The interview is an integral part of the examination. Therefore, candidates who are invited for an interview should **not** assume that they will be offered an appointment. Successful candidates who receive an offer of appointment are strongly encouraged to accept it, as declining may affect their prospects of receiving a subsequent offer.

10. On the basis of the overall results of the examination, the Board will recommend to the Assistant Secretary-General for Human Resources Management the names of candidates who qualify for inclusion in the roster. All candidates admitted to the examination will be informed in writing of the Board's final recommendation in respect of their candidature. **The Board's recommendations are not subject to appeal.** The Board does **not** release individual scores or results.

11. Staff members selected to fill vacancies will be assigned as French interpreters for a trial period of two years. Staff members below the P-2 level or who are in the General Service category will receive a special post allowance to the P-2 level. Staff members at the P-2 and P-3 levels will be assigned at their respective levels.

12. Staff members with a special post allowance to the P-2 level and those already at the P-2 level who successfully complete the trial period and are recommended by the Department for General Assembly and Conference Management and the Office of Human Resources Management will be promoted to the P-3 level. Staff members already at the P-3 level who successfully complete the trial period will be confirmed in their functions at the P-3 level. After two years of satisfactory service on a fixed-term appointment, the candidate will be considered for an appropriate, open-ended appointment. This means that the candidate will have to demonstrate within that time that he or she possesses the requisite qualifications to serve as a career staff member of the United Nations in order to receive such an appointment. Staff members who do not complete the trial period successfully will be reassigned to a post at their previous level and the special post allowance, if any, will be discontinued.

13. In accordance with the needs of the services/sections/units concerned, successful candidates may be called upon to work outside normal working hours, including on weekends and holidays.

14. Staff members applying for the examination should complete the attached form and submit it, together with their personal history profile or P.11 form and the required certificates, **no later than 14 May 2010**, to:
